A LEADING FIRM OF ARCHITECTS, SURVEYORS and PROJECT MANAGERS

Established more than 40 years ago in Glasgow our expertise in the disciplines of architecture, surveying and project management has seen our dedicated teams combine their strengths on many projects.

SPECIALIST ADVICE

The basis of effective quantity surveying services is accurate cost and contractual advice throughout the life of a project. We aim to implement this process from our initial appointment and act in a proactive manner with other members of the design team to ensure you receive value for money and that the completed work meets with your expectations. To meet the demands of a changing market place and client focus, we are able to offer various areas of advice including:

- Value engineering and management reports
- Whole life costing appraisals
- Insurance reinstatement valuation and management
- Risk management
